

Hello, let me re-introduce myself.

Who are we?

connectFirst is a credit union with 40+ branches across central and southern Alberta. We're proudly Albertan and have strong community ties in all of our locations.

Our new name

We strive to put our members, our communities and you, First. Which is why we spell our name connectFirst. Please use this stylization in any written copy.

Our Previous Names

You may have known us as Chinook Financial, First Calgary Financial, Legacy Financial and Mountain View Financial. Well, we're the same "us" – we've just come together with a renewed commitment to serve you better as **connectFirst Credit Union**. For you, that means more access, great new products and services and most importantly a refreshed energy towards making our credit union relevant for an ever changing Alberta.
