 - i. compliance with this Agreement,
 - ii. maintaining adequate security over any Access Terminal used, the location of use of the Access Terminal, and any passwords so as to prevent use by others or interception of data transmitted,

Further, you agree to take all proper and necessary precautions to prevent any other person from purporting to create or transmit an Official Image to the credit of your Account;

If you have any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then you shall not seek to use the Remote Deposit Service for negotiation or collection of that item, but will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to us, and fully disclose all material facts known by you relating to that item and fully cooperate with any inquiry or investigation of the concerns;

Further, you agree to make no further use of the original of an imaged Eligible Bill, and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, you agree to indemnify and hold the Credit Union and its Third Party Service Providers and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to your use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. You must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. (For example: This can be done by writing "void" or "paid" or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter.) For a period of 120 days after transmission of the Official Image to us, or such shorter period as stipulated by us in writing, you shall retain and produce to us on written request the original of all imaged Eligible Bills. If you receive a written request to retain or produce, you will comply with the written request, and shall, if requested, produce, by delivering to us, the original of all specified Eligible Bills within 5 business days of such request. If you fail to comply with the written request made pursuant to this provision, then we can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to us through the Remote Deposit Service or such shorter period as stipulated by us in writing, and provided that you have verified a credit to the Account that reconciles to the Official Image transmitted, you agree to immediately proceed with destruction of the original of the Eligible Bill. Destruction methods include shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;
- j. you are responsible for any and all costs associated with obtaining a replacement Instrument in the event that we request that you re-transmit an Official Image in accordance with h) above, and the original Instrument was destroyed in accordance with i) above or otherwise lost;

You must maintain the security of your mobile device by protecting it with a secure access code or biometric, by knowing its location at all times, and by keeping it up to date with the latest operating system software, security patches, and anti-virus and anti-spyware programs. You must only use the latest version of the digital wallet.

You must protect and keep confidential your Proof of Identity and all other credentials you use to log into your mobile device, to use the digital wallet, and to make payments with your Debit Card using the digital wallet. If you share these credentials with another person, then any payments made by that person will be deemed to have been authorized by you. You must ensure that only your Proof of Identity credentials are recorded on your mobile or wearable device or tablet. If the Proof of Identity credentials of another person can be used to unlock the mobile device, then any payments made by that person will be deemed to have been authorized by you.

You must not use a digital wallet on a mobile device that you know or suspect has its security or integrity compromised (e.g., where the mobile device has been “rooted”, “jailbroken”, or had its security mechanisms bypassed). If you do, then any payments made using that mobile or wearable device or tablet will be deemed to have been authorized by you.

You must delete your Debit Card from your digital wallet if:

- You upgrade, change, sell, give away, or otherwise dispose of your mobile or wearable device or tablet;
- You temporarily give possession of your mobile or wearable device or tablet to any other person (including for repairs);
- You terminate your digital wallet service; or
- We ask you to do so.
