

# Learn & Earn Scholarship

## Have your education savings matched

### Learn about money. Amplify your savings.

This 10-month matched savings program helps youth learn how to save, plan for their future, and pay for their post-secondary education or trades programs.

- Scholarship is open to all students that live in our communities and are in their grade 12 year
- A total of 12 scholarships are available for students across central and southern Alberta
- Teaches students how to manage their finances, set goals, and save money towards their goals. Students can earn \$4 for every \$1 saved, up to \$110 a month or \$2,200 total.
- Priority is placed on students who are motivated, but may face financial barriers to achieving their career or educational goals.

### Participants Commit To:

- Opening a savings account with connectFirst Credit Union, if not already established.
  - Having part-time employment or have some form of regular paid income
  - Saving between \$15 and \$55 each month for the duration of the 10-month program
  - Meeting with a mentor from a connectFirst Credit Union division at their local branch
  - Providing proof of enrollment in post-secondary or trades training before receiving matched funds

To apply, please visit your local branch or [connectFirstCU.com/Scholarships](https://connectFirstCU.com/Scholarships)

**APPLICATION DUE SEPTEMBER 30**
