

# Digital Banking Guide.

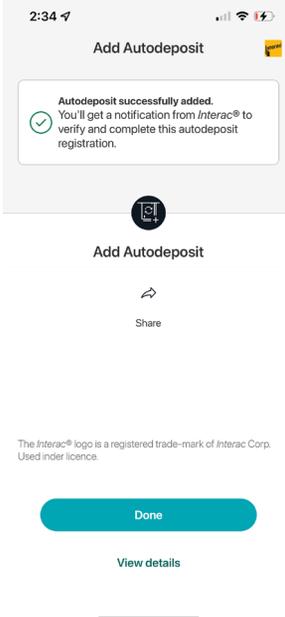

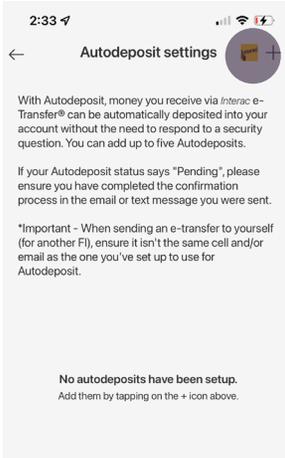

*Added features and security.*

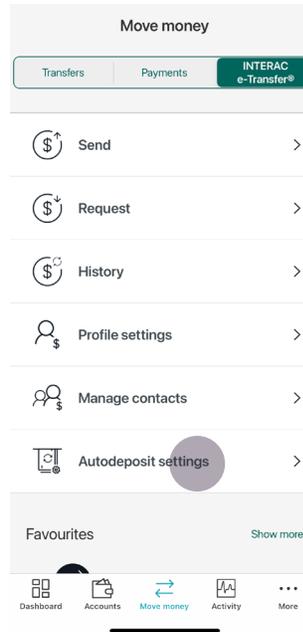

## Auto-deposit registration

To set up Autodeposit for receiving eTransfers, select **Move money > INTERAC e-Transfer > Autodeposit Settings**.

Select **+** in the top right corner.

The Interac® logo is a registered trade-mark of Interac Corp. Used under licence.

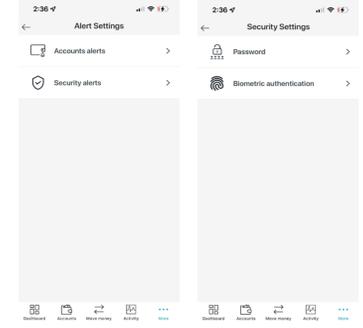

- ✓ Select register with to add either your email or mobile phone number
- ✓ Choose the account you want to use for Autodeposit
- ✓ Acknowledge the disclaimer and press Continue
- ✓ You'll receive a code via email or text to authorize the change. Enter this code
- ✓ Once you successfully add this change you will receive a notification from Interac to complete your Autodeposit registration

## Security alerts & notifications

Security alerts help protect your accounts. You can set up alerts for any successful login, withdrawals, insufficient funds, low balances, and more.

On the app, go to **More > Alert Settings > Account Alerts** (for transaction related alerts) or **Security Alerts** (for login and password related alerts).

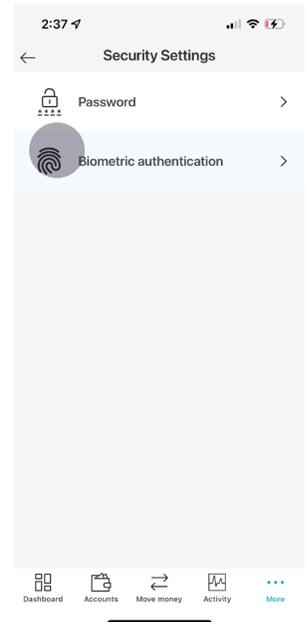

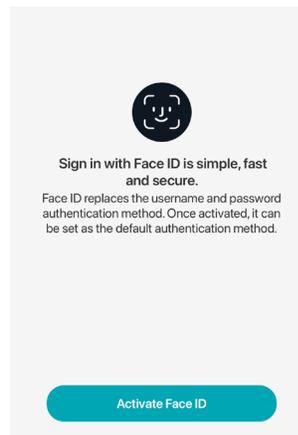

Make sure to save your changes at the bottom of the page.

## Biometric authentication

To set up biometric authentication (fingerprints or face ID) to access your digital banking apps, go to **More > Security > Settings > Biometric Authentication**.

- ✓ Press **Activate Face ID or Fingerprints**
- ✓ You will need to accept the conditions to complete set up

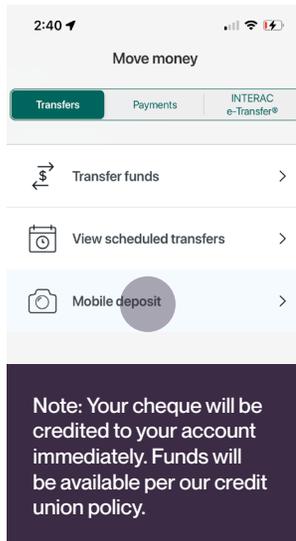

## Mobile cheque deposit

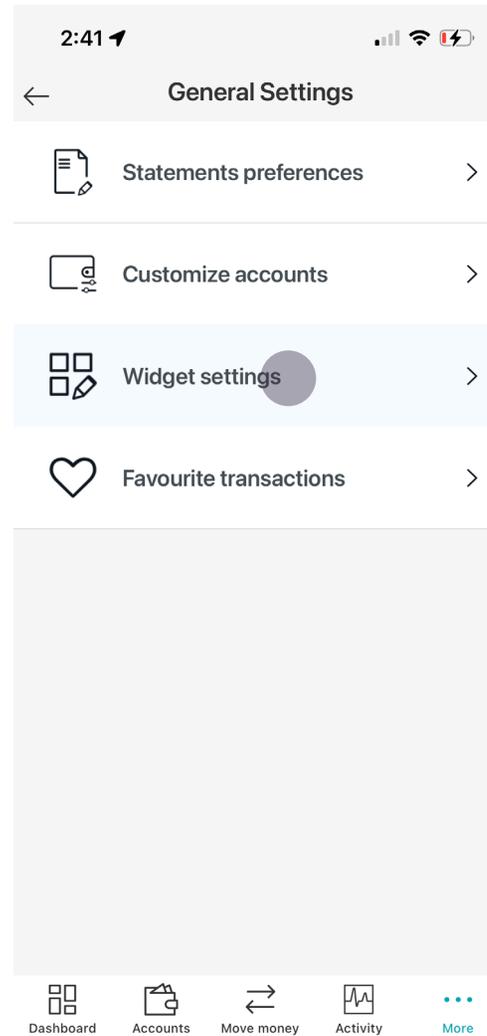

To deposit a cheque through the app you can click on **Mobile Deposit** on the main Dashboard page or go to **Move Money > Mobile Deposit**.

Please note that device camera access is required for this transaction. Please allow the app to access your device's camera.

- ✓ Select the account you'd like to deposit to
- ✓ Add the amount of the cheque
- ✓ Take photos of the front and back of the cheque
- ✓ Press Continue to complete the deposit

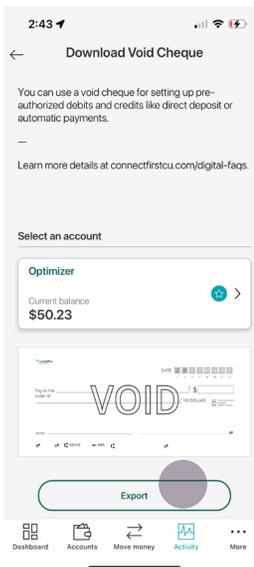

## Quick balance view

To set up quick balance view go to **More > General Settings > Widget Settings**

- ✓ Toggle on Account Balances
- ✓ Name your widget and select the account, display screen, and type you want
- ✓ Click add widget to complete the action

## Void cheque download

To download a void cheque go to **Activity > Download void cheque**.

Select the account you would like to use, and then export.

**Making banking easier, so you can spend time with those who matter most.**
